June - World Mission Broadcast (WMB)

If you haven't emphasized World Mission Broadcast yet, here's a great way to do so. The WMB Language Games are a simple way to help raise awareness of WMB and the multiple languages in which the Gospel is shared via our programs. The Language Games are perfect for use in a missions service, Sunday School class, home group, or even children's church, and can be downloaded from the WMB web site (<http://www.worldmissionbroadcast.org/promo.aspx>) For the more adventurous, you can play the games online at www.worldmissionbroadcast.org/facebook.

July - International Ministries, Bible Schools & Seminaries

During the month of July, remind your congregation of the need to equip ministers, missionaries and lay people for service in God's kingdom. Satisfying this need is why the Church of the Nazarene has invested heavily in educational institutions. Remember these institutions and their students in prayer.

Do you know a student who is called to missions?

The first recipient of the Central Ohio District NMI Scholarship, Jamie Schmelzenbach, graduated from MVNU this spring and will now prepare for the next step in her call to missions. Pray for her and for our other scholarship recipients, Andrea and Rachel, as they seek to follow God's call on their lives. If you know of student who is pursuing a call to missions and is either in their last year of high school or in the first two years of college, encourage them to apply for the Central Ohio District NMI scholarship. The application form is posted on the district NMI web site and is due in January. A recipient will be selected in February from the applications.

Be part of equipping students through School Pal-Paks

As part of equipping students, remember that Back-to-School sales usually take place in July and are a prime time to stock up for School Pal-Paks. Watch the sales for the following items: Composition notebooks, Packages of 10-12 No. 2 pencils, Packages of 10-12 Black or Blue ink pens, Pink erasers (2-3 in.), 6 in. rulers with English and Metric markings, Package of 12-14 colored pencils, blunt-nosed scissors, hand-held pencil sharpeners. Sample pictures, quantities, packing instructions and other information is available on the School Pal-Pak page of the web site.

August - LINKS

The Central Ohio District is truly blessed with visits from all three of our LINKS missionaries. Last fall the Lovetts participated in the fall tour. Sam and Lumae Yangmi were here for Convention and in July, Joshua and Robyn Allen will be participating in Camp meeting, Teen Camp and Survivor Logan (our children's rally). Encourage your congregation to attend and hear what is God is doing on the Eurasia region through the Allens on Thursday, July 16 and bring your children to Survivor Logan on Saturday, July 18. Let the Allens know that LINKS partners stand behind and support them.

The second annual Radical Rehab is planned for the last Saturday of Camp meeting. The following activities will be going on and registration forms are included in this newsletter. Registration for all events is due July 10th so mobilize your congregations and get them involved.

Children's Rally for All Zones – July 18, with Josh & Robyn Allen

SURVIVOR LOGAN: New missionaries to Russia, the Allens are one of our district Link assignments. This will replace the fall rallies so don't miss out thinking there will be an opportunity later in the year.

Newsletter Delivery

Unless otherwise requested via the mailing list registration form provided at convention, the District NMI will be sending future newsletters to available email addresses. The newsletter will primarily be sent as a link to the PDF document on the district web site. Since our current newsletter mailings take 4-5 days to be printed and mailed the electronic delivery will be faster. Sending the link will be kinder to your mailbox than sending the full document.
