Prayer & Fasting

- Paul Ondera was struck by a car while in Jamaica for the Gamertsfelder Mission Centre. He was flown back to Columbus for multiple surgeries. He and Pam are looking forward to a full recovery as God has been answering prayers.
- Chile was struck by a magnitude 8.8 earthquake on 2/27. Please pray for the people of Chile as they begin to deal with the loss and start recovery.
- Haiti is still recovering from a magnitude 7.0 earthquake that struck Port-au-Prince on 1/12. Prayer and assistance for the people of Haiti. But also include praise for God's provision which has been evident.
