Children's Project ~ "Extreme Peru"

Raising money to help people have fresh drinking water, teaching skills to be self-supporting like tapping rubber tree plants, taking the Gospel where it's never been heard before!

Join us this year for our first District Children's Rally held the last Saturday of Camp Meeting, during Radical Rehab. The kids will enjoy our Survivor theme activities and interaction with missionaries to Ukraine, Josh & Robyn Allen. Lunch will be provided and plenty of fun will be served!
